

# *The Journal* OF THE *House of Representatives*

Number 5

Thursday, March 16, 2006

The House was called to order by the Speaker at 10:00 a.m.

## Prayer

The following prayer was offered by Reverend Betty Watson of Mount Olive A.M.E. Church, upon invitation of Rep. Antone:

O thou in whose presence my soul takes delight, on whom in affliction we call, O God, we come this morning, first of all just to say thank You. Thank You thee, O God, for Your traveling grace and mercy. Thank You for allowing us to come yet again to do the business of the session.

Now, God, I lift up the Speaker of the House, every member, every aide, every staff, every messenger, every page, and those who are assembled under my voice. Thank thee, O God, for allowing them to be here to serve. Now, I ask for thou anointed to fall fresh in for health, and thank this place today. That You will crown their heads with wisdom, knowledge, and a good understanding of what they have been called to do.

And then, O God, when we should leave this place we will still give Your name honor, glory, and praise. We ask for protection of their homes while they are yet away, O God. In the name of Jesus, the Christ, we pray, thank You for Your grace. Thank You for Your mercy. Thank You You for strength. And when we should depart, God, we shall always give Your name the highest of all. In Jesus' name we pray. Amen.

## Consideration of HR 9029

**HR 9029**—A resolution designating March 16, 2006, as "Space Day" in Florida.

WHEREAS, internationally known as the birthplace of American space exploration since the first space launch from its shores more than 50 years

ago, Florida has served as the portal to remarkable scientific innovation and, truly the Gateway to Discovery for the nation's space program, continues to play a critical role in pioneering new frontiers in America as well as in space, and

WHEREAS, the aerospace industry historically has been a major component of Florida's economy, in 2004 accounting for nearly 148,000 jobs and \$7.4 billion in wage and salary disbursements, and

WHEREAS, in 2005, Kennedy Space Center employed 13,500 Floridians at an average annual salary of \$69,000, which is nearly twice the average annual wage in Brevard County, and NASA's economic impact in the state was \$3.7 billion in output, \$1.8 billion in household income, and 35,000 jobs, with 85 percent of the employees based at the space center working for private-sector contractors, and

WHEREAS, the nation is witnessing the birth and early growth of a new commercial space transportation industry and, during the next decade, Florida has the opportunity to broaden its existing leadership in civil and military launch activity, while also emerging as the nation's leader in new commercial space opportunities and the integration of space, aeronautics, and aviation technologies, a vision that, if realized, will position Florida for sustained economic growth and prosperity for decades to come, and

WHEREAS, as a result of its foresight and effective leadership, Florida is looked upon as the global cornerstone in the development of space-based technologies and innovations, NOW, THEREFORE,

Be It Resolved by the House of Representatives of the State of Florida:

That March 16, 2006, is designated as "Space Day" in Florida.

BE IT FURTHER RESOLVED that a copy of this resolution be presented to Dr. Michael Griffin, NASA Administrator, as a tangible token of the sentiments expressed herein.

—was read the second time in full and adopted.

On motion by Rep. Ambler, the board was opened [Session Vote Sequence: 670] and the following members were recorded as cosponsors of the resolution, along with Rep. Waters: Reps.
